Introduction

This guide was produced to help Rhode Islanders find safe, healthy, and affordable rental homes. The guide contains information on rental assistance programs, affordable housing listings, and tips to save you time.

United Way 2-1-1 in *Rhode Island* is a 24/7 social and human services helpline that offers free and confidential referrals to programs and services throughout the state. Dial 2-1-1 for immediate assistance from a specialist, or visit www.211ri.org for more information.

If you are homeless, please call RI Alliance for Coordinated Entry (ACE): (401) 277-4316.

Rental Assistance Programs

Housing Choice Voucher (HCV) Program

Also known as: Section 8, Tenant-Based Rental Assistance, Mobile Voucher

The HCV Program is a federal program that provides housing assistance in the form of a “voucher” so tenants can find a home that fits their needs. Tenants are required to pay 30-40% of their gross household income in rent and utilities. This type of subsidy is tenant-based, meaning the assistance is tied to the tenant rather than the property.

Tenant-based vouchers increase affordable housing choices for very low-income families. Families with a tenant-based voucher choose and lease affordable, privately-owned rental housing. Under the HCV program, families find their own rental apartment and use the voucher to pay for all or a portion of the rent.

Centralized Waiting List

In December 2017, RIHousing and the Public Housing Association of Rhode Island (PHARI) launched a centralized waiting list (CWL) for the Housing Choice Voucher Program. This online system provides applicants with access to numerous HCVP waiting lists through a single application.

Not all of Rhode Island’s Public Housing Authorities (PHAs) are participating in the CWL at this time. Please see page 18 for more information.

If you are interested in the Housing Choice Voucher Program, please visit www.waitlistcentralRI.com and select “applicant login” to create an account and apply.

Subsidized Housing Developments

Also known as: Low-Income Housing, Public Housing, HUD Housing, Project-Based Housing, Facility-Based Housing

The following properties offer federally subsidized rental units for low-income individuals and families. Tenants are required to pay approximately 30% of their gross household income toward rent and utilities. These developments are project-based, which means that the subsidy (financial assistance) is attached to the property itself, and not the tenant.

Tax Credit Developments (LIHTC)

Also known as: Affordable Housing Developments, Rent-Restricted Units/Properties

The following properties were built using a government tax subsidy and are required to provide below-market rents for low-moderate income households, persons with disabilities, and seniors. Income restrictions apply based on household size. Eligible households typically fall between 30-60% of the annual median income (approximately \$20,420 - \$38,940 for a family of three)*. Please contact the developments for specific eligibility information.

Project Based Voucher Developments (PBV)

Like the HCV Program, the PBV Program provides rental assistance to privately-owned housing developments on behalf of HUD. In turn, the assisted developments must rent to low-and moderate-income households. However, PBV assistance is tied to the rental unit – not the tenant.

RIHousing administers PBV assistance to over 300 units in various privately-owned developments throughout the state of Rhode Island. Bedroom sizes vary by development and eligible families are determined based on income, household size, and composition. Each rental property may have their own preferences and tenant selection plan.

The RIHousing Project Based Voucher Program also uses the centralized application process for the various Project Based Voucher development waiting lists.

If you are interested in the Housing Choice Voucher Program or the Project Based Voucher Program, please visit www.waitlistcentralRI.com and select “applicant login” to create an account and apply.

Community Action Programs

Community Action Programs (CAPs) serve to address the needs of economically disadvantaged and working families throughout Rhode Island. CAPs generally provide employment assistance, education, youth and family support, basic needs, financial and health counseling, and senior services. CAPs also administer Low-Income Heating and Energy Assistance Program (LIHEAP) funding from October – April. For more information, contact your local CAP agency.

Time-Saving Tips

Time-Saver Tip #1: Only apply for developments you are ELIGIBLE for. If you are unsure, contact the property directly and ask questions.

Time-Saver Tip #2: When calling for an application, ask about PREFERENCES, which prioritize applicants on wait lists and will determine the approximate length of wait time. *Examples could include: In-town Resident, Veteran, Elderly*

Time-Saver Tip #3: All developments have a TENANT SELECTION PLAN (TSP) that details tenant eligibility criteria. Prospective applicants can request a copy of the TSP to verify eligibility before applying.

Time-Saver Tip #4: Subsidized Housing requires applicants to provide credit, criminal background, and rental history information. If you are unsure whether this information will negatively impact your application, review the property's TSP.

Time-Saver Tip #5: If you apply for subsidized housing and get a denial letter YOU MAY REQUEST AN APPEAL. This in-person discussion gives the applicant an opportunity to explain past credit, criminal background, or rental history problems. Come prepared to advocate for your need for affordable housing, and bring along a support system.
